

**DRIVING DIRECTIONS TO THE JOHNS HOPKINS UNIVERSITY
MONTGOMERY COUNTY CAMPUS**

Please make sure that all attendees receive this information just as it is.

There are three buildings on our campus. If your meeting is in **GILCHRIST HALL (9601 Medical Center Drive)**, this will be the building in the middle, the building with a circular driveway. The **A&R (ACADEMIC & RESEARCH) BUILDING (also 9601 Medical Center Drive)** is on the left as you face the buildings from the front and all the way to the right if you're in the back parking lot. Please **STRESS** to attendees that there are two buildings with a 9601 address, but if their meeting is in Gilchrist Hall, that's the middle building, and if their meeting is in the A&R Building, that's the building to the far left as you face the buildings. The **9605 BUILDING (9605 Medical Center Drive)** is on the right as you face the buildings from the front and on the left from the back parking lot. There is very little parking in the front, but there is plenty of parking in back of all three buildings and to the side of the 9605 building. Attendees may park in any space that says "**JHU ONLY**" or in any other undesignated space on the campus. **THEY MAY NOT PARK IN THE GARAGE. THAT BELONGS TO NCI.**
